

Horizon Therapeutics plc Named One of the Most Innovative Companies by Crain's Chicago Business

October 24, 2019

DUBLIN--(BUSINESS WIRE)--Oct. 24, 2019-- Horizon Therapeutics plc (Nasdaq: HZNP) today announced that it is has been named one of the [Most Innovative Companies](#) in Chicago by *Crain's Chicago Business*, ranking number two. *Crain's* compiles the list based on a review by independent intellectual property valuation firm, Ocean Tomo, which evaluates companies that were awarded at least five patents last year.

Horizon made this year's list based on its work with its medicine used to treat urea cycle disorders (UCD), a rare genetic disorder that affects approximately 1 in 35,000 live births in the United States.

"At Horizon, we place special emphasis on innovation where we apply scientific expertise to address the most challenging needs patients face," said Timothy Walbert, chairman, president and chief executive officer, Horizon. "We are honored to be recognized by *Crain's* for our efforts and will continue to move decisively through the clinical process, to bring new and novel therapies to patients, their families and those who care for them."

About Crain's Chicago Business

For 40 years, Crain's Chicago Business has been a top source of news, analysis and information on business in metropolitan Chicago for decision-makers in the private and public sectors. More than a collection of products, Crain's Chicago Business is a rich media environment—in print, online, mobile, video, live events and executive training.

About Horizon
