Dear Equity Award Holder:

As previously announced, on December 11, 2022, Horizon Therapeutics plc ("**Horizon**") entered into a Transaction Agreement (the "**Transaction Agreement**"), by and among Horizon, Amgen Inc., a Delaware corporation ("**Amgen**"), and Pillartree Limited, a private limited company incorporated under the laws of Ireland and a wholly owned subsidiary of Amgen ("**Acquirer Sub**"). Under the terms of the Transaction Agreement, Acquirer Sub will acquire Horizon (the "**Transaction**") pursuant to a scheme of arrangement under Chapter 1 of Part 9 of the Companies Act 2014 (the "**Companies Act**"), the terms of which are set out in full in the definitive Proxy Statement in the section entitled "*Part 3—The Scheme of Arrangement*" (the "**Scheme**"). The definitive Proxy Statement was filed with the SEC and mailed to Horizon Shareholders (as defined below), and for information only to equity award holders, on or about January 23, 2023 (the "**Proxy Statement**"). As a result of the Scheme, Horizon will become a wholly owned subsidiary of Amgen.

As consideration for the Transaction, holders of ordinary shares of Horizon, nominal value \$0.0001 per share (each a "**Horizon Share**" and such holders, the "**Horizon Shareholders**"), will be entitled to receive at the effective time of the Scheme (the "**effective time**"), \$116.50 in cash for each Horizon Share held by them as of the effective time (the "**Scheme Consideration**").

The purpose of this letter is to set out how the Transaction will affect any Horizon Options, Horizon RSUs and/or Horizon PSUs (each as defined below) that you hold and/or purchase rights accrued and Horizon Shares purchased under the ESPP.

For your information, page 3 of this letter includes a link to the Proxy Statement filed by Horizon with the SEC that contains important information about the Transaction. The Transaction Agreement is attached to the Proxy Statement as Annex A. You may also obtain a copy of the Proxy Statement from the SEC's website at www.sec.gov or Horizon's website at <https://ir.horizontherapeutics.com>. Information found on, or accessible through, Horizon's website is not a part of, and is not incorporated into, this letter.

1. Treatment of Horizon Options

- As of the effective time, each option, including incentive stock options or non-qualified options, to purchase Horizon Shares (each an “**Option**” or a “**Horizon Option**”) that is outstanding as of immediately prior to the effective time (whether or not vested) shall be canceled and converted into the right to receive cash, without interest, in an amount equal to (a) the total number of Horizon Shares subject to such Option immediately prior to the effective time, *multiplied* by (b) the excess of (i) \$116.50 over (ii) the exercise price payable per Horizon Share under such Option, less applicable tax withholdings.
 - For example, assume you have a Horizon Option with an exercise price per share of \$50. You will receive \$66.50 in cash (which represents the difference between \$116.50 and \$50) per Horizon Share subject to your Option, less applicable tax withholdings. If you previously exercised a Horizon Option and currently hold Horizon Shares, you will receive a cash payment of \$116.50 per share in accordance with the terms of the Transaction.
- To the extent that your Horizon Options are vested prior to the effective time, you may exercise your Options in the normal manner in accordance with the terms and conditions governing such Options. If you are a “Covered Insider” under Horizon’s Window Period Policy, you may exercise vested Options at any time but you may sell Horizon Shares only during an open window. Once an Option is exercised, you will be entitled to participate in the Transaction in respect of the Horizon Shares issued pursuant to the exercise of the applicable Option. If you do not exercise your Options, they will be treated as described above.
- An exercise of your Horizon Options may be subject to tax and accordingly, it is recommended that you consult your tax advisors about the tax consequences of any exercise of your Horizon Options under the laws of the relevant jurisdiction.
- It is possible that Horizon may restrict the ability to exercise Horizon Options following a date near to the expected date of the completion of the Transaction (the “**Completion**”). Any further restrictions will be communicated to you.

2. Treatment of Horizon RSUs

- As of the effective time, each Horizon restricted stock unit award subject to time-based vesting (each an “**RSU**” or a “**Horizon RSU**”) that is outstanding as of immediately prior to the effective time (whether or not vested) shall, if granted to a non-employee member of the Horizon board of directors (the “**Horizon Board**”) or held by a person who, as of the Completion Date, is a former service-provider of Horizon, be canceled and converted into the right to receive cash, without interest, in an amount equal to (a) the total number of Horizon Shares subject to such Horizon RSU immediately prior to the effective time *multiplied* by (b) \$116.50, less applicable tax withholdings.
- If you are not a non-employee member of the Horizon Board or a former service provider of Horizon, as of the Completion Date, each Horizon RSU that you hold and is outstanding as of immediately prior to the effective time (whether or not vested), shall be canceled and converted into a restricted stock unit (each an “**Amgen RSU**”) denominated in shares of Amgen’s common stock, par value \$0.0001 per share (“**Amgen common stock**”). The number of shares of Amgen common stock subject to each such Amgen RSU shall be equal to the product (rounded down to the nearest whole number) of (a) the total number of Horizon Shares subject to such Horizon RSU immediately prior to the effective time *multiplied* by (b) (i) \$116.50 *divided* by (ii) the volume weighted average of the per share closing price of Amgen common stock on the Nasdaq Global Select Market for five trading days ending on the second business day prior to the Completion. Following the effective time, each Amgen RSU shall continue to be governed by the same terms and conditions (including vesting terms) as were applicable to such Horizon RSU immediately prior to the effective time.
 - For example, assume the value of a share of Amgen stock is \$300 and that you have Horizon RSUs representing 100 shares of Horizon stock. You will receive Amgen RSUs representing 38 shares of

Amgen stock (equal to 100 shares, multiplied by \$116.50 divided by \$300). The vesting schedule of the Amgen RSUs will be the same as the vesting schedule that applied to your Horizon RSUs.

- Amgen will confirm the number of your Amgen RSUs after Completion.

3. Treatment of Horizon PSUs

As of the effective time, each Horizon restricted stock unit award with performance-based vesting or delivery requirements (each a “PSU” or a “**Horizon PSU**”) that is outstanding as of immediately prior to the effective time (whether or not vested) shall be canceled and converted into the right to receive cash, without interest, in an amount equal to (a) the total number of Horizon Shares issuable upon settlement of such PSU as determined, in accordance with the terms of such PSU, by the compensation committee of the Horizon Board prior to the effective time *multiplied* by (b) \$116.50, less applicable tax withholdings.

4. Treatment of Purchase Rights and Horizon Shares Purchased under the Employee Share Purchase Plan

Under the terms of the Transaction Agreement, (a) following the date of the Transaction Agreement, participation in the ESPP is limited to those employees who participated in the ESPP immediately prior to the date of the Transaction Agreement; (b) no participant is allowed to increase the percentage of his or her payroll deduction election from the percentage in effect on the date of the Transaction Agreement; (c) no new ESPP offering will commence after the date of the Transaction Agreement; (d) the last day and final purchase date of the current ESPP offering will be the earlier of (i) the last business day prior to the effective time or (ii) June 1, 2023; and (e) the ESPP will terminate as of and contingent upon the Completion.

5. No Action is Required by You

You are not required to take any action to ensure that your Horizon Options, Horizon RSUs or Horizon PSUs are converted into cash or Amgen RSUs as described above.

Horizon Shares purchased by you under the ESPP on the earlier of the last business day before the effective time and June 1, 2023 will be acquired by Amgen under the terms of the Transaction – no action is required by you.

6. Timing of Cash Payments for Cancelled Horizon Options, RSUs (non-employee Board members and former Horizon service providers) and PSUs

You will receive the cash payments due to you in respect of your Horizon Options, RSUs (where applicable) and PSUs through payroll as soon as reasonably practicable after the Completion, but not later than 10 Business Days after the effective time. Where Horizon or Amgen has an obligation to withhold or deduct taxes, social insurance contributions or similar amounts, your payment will be subject to the applicable deductions.

If you are not, and were not at any time during the vesting period of your Horizon equity award, an employee of Horizon for employment tax purposes, you will not receive your cash payment through payroll. It will be paid to you in the same manner as the Scheme Consideration is paid under the Scheme, as if you were a Horizon Shareholder.

7. What Happens if the Transaction is not Completed?

If for any reason the Transaction is not completed, there will be no changes to the right you currently have in your Horizon Options, Horizon RSUs or Horizon PSUs, any such equity awards you hold that are not already vested will not accelerate, and all equity awards will continue in effect in accordance with their existing terms and conditions, including the applicable vesting and applicable performance conditions.

If you exercise your vested Horizon Options in the normal course, you will hold Horizon Shares in accordance with usual procedures following option exercises.

The ESPP will not terminate and offerings will continue as normal under the terms of the ESPP and as determined by the Horizon Board or a committee thereof.

8. What Happens if your Employment with Horizon Terminates prior to the Effective Time?

In general, if your employment terminates before the effective time by reason of your resignation or if you are terminated for cause, your Horizon Options that are not already vested and exercisable will immediately be forfeited on the date your employment ends and any unvested RSUs and PSUs will be forfeited. You will not receive any consideration for your forfeited Options, RSUs or PSUs. You will have the period following your termination specified in the award agreement governing your Horizon Options (which may end prior to the Completion) to exercise any vested Horizon Options. If your Horizon Options lapse without exercise prior to the Completion, you will not be entitled to receive any payment for the lapsed Horizon Options. If your individual employment agreement has different terms, the terms of your individual employment agreement will govern.

If your employment terminates before the effective time due to a termination by Horizon without cause or (as applicable) a resignation for good reason, please refer to your individual employment agreement or the terms of the severance plan in which you are eligible to participate.

Please refer to the ESPP rules for information about what happens under the ESPP if your employment with Horizon terminates.

9. No Financial or Tax Advice

Horizon and Amgen will not provide advice on the benefits of the Transaction or the Scheme or give financial or tax advice. You should seek your own professional advice regarding the tax treatment of your Horizon Options, RSUs and PSUs and your participation in the ESPP.

10. View of the Horizon Board

The Horizon Board, which has been so advised by Morgan Stanley, considers the treatment of the Horizon Options, Horizon RSUs and Horizon PSUs and the rights accruing and Horizon Shares issued under the ESPP described in this letter to be fair and reasonable. In providing financial advice to the Horizon Board, Morgan Stanley has taken account of the commercial assessments of the directors of Horizon.

Yours faithfully,

Horizon Therapeutics plc

Amgen Inc.
