Horizon Pharma plc ("Horizon Pharma") has filed a definitive proxy statement with the Securities and Exchange Commission and accompanying WHITE and BLUE proxy cards to be used to solicit requests that Depomed, Inc. ("Depomed") call two related special meetings of shareholders.

This Schedule 14A filing consists of the following letter sent by Horizon Pharma to Depomed shareholders that contains information regarding the proposed acquisition of Depomed by Horizon Pharma and Horizon Pharma’s solicitation of requests that Depomed call two related special meetings of shareholders:

Dear Depomed Shareholder,

As the date for final submission of proxy cards related to the Removal and Bylaw Amendments as well as the Election Special Meetings (the “Meetings”) nears, we wish to remind you of the reason why Horizon Pharma plc (“Horizon Pharma”) strongly believes you should be supporting the calling of the Meetings. As is detailed in Horizon Pharma’s press release of July 21, 2015, Horizon Pharma communicated it was prepared to pay an approximate 60 percent premium to the unaffected stock price of Depomed Inc. (“Depomed”) in an all-stock acquisition of Depomed. In addition, Horizon Pharma reiterated its willingness to do so again on August 13, 2015 and stated it was willing to consider exploring the possibility of discussing the value and the form of the total aggregate consideration it would be willing to pay to acquire Depomed if Depomed would enter into consensual negotiations with Horizon Pharma.

Since initiating the process of attempting to acquire Depomed in 2015, Horizon Pharma and its advisors have made more than 20 separate attempts to initiate discussions with Depomed and its advisors, yet not once have Depomed or its advisors agreed to engage in any meaningful discussions or negotiations. It is Horizon Pharma’s position that Depomed’s board of directors and management team have ignored the best interests of its shareholders and focused on entrenchment rather than truly exploring the merits of a combination of our two companies. Horizon Pharma believes the shareholders of Depomed deserve better and should send a strong message rejecting this entrenching behavior and the lack of respect for the rights of the Depomed shareholders by submitting the White and Blue proxy cards in support of calling for the Meetings. Our view that shareholders should have their say is shared by the principal proxy advisors, ISS Corporate Solutions, Inc., Glass, Lewis & Co., LLC and Proxy Mosaic, LLC, each having published written opinions supporting the proposals to call the Meetings.

You should not confuse support for calling of the Meetings and stopping the entrenching and self-serving actions of the Depomed board and management with your views on the terms of the exchange offer. We fully acknowledge much has occurred in the public equity markets and with the trading values of DEPO and HZNP since the dates we made our proposals to acquire Depomed and filed our exchange offer. Given the recent turbulence in the pharma sector and the fact that we cannot proceed with our exchange offer until the poison pill adopted by Depomed is eliminated, we have elected not to amend the exchange offer until it becomes actionable, in connection with the Meetings. Once the Meetings have been scheduled, we will address the terms of the exchange offer after conversations with Depomed shareholders. We reserve the right to amend the terms of the exchange offer at that time to reflect current market conditions.

If you have not yet done so, you can still have your voice heard and consent to the calling of the Meetings through submission of the White and Blue proxy cards. There is still time to act. Please return the enclosed Voting Form in the enclosed pre-paid envelope no later than 5:00 p.m. ET on Monday November 23, 2015. We appreciate your consideration and are available to answer any questions you may have.

Special Note Regarding Litigation

As described in the Special Meetings Solicitation Statement and the Special Meetings Proxy Statements, Horizon Pharma is currently challenging Depomed’s bylaw-mandated process for calling a special meeting of shareholders as contrary to California law in a judicial proceeding seeking to protect Depomed shareholders’ franchise rights. With that judicial challenge pending, the Special Meetings Solicitation Statement and accompanying WHITE and BLUE proxy cards that have been distributed to Depomed shareholders and the Special Meetings Proxy Statements and accompanying WHITE and BLUE proxy cards that will be distributed to Depomed shareholders reflect Horizon Pharma’s good faith effort to nevertheless comply with what we believe is an onerous process for calling a special meeting of shareholders imposed by the Depomed board of directors. The Superior Court of the State of California, County of Santa Clara, where our judicial challenge is pending, calendared for November 5, 2015 a hearing on a preliminary injunction motion by a subsidiary of Horizon Pharma to enjoin, among other things, the enforcement of Depomed’s bylaws that mandate what we believe to be the onerous process for calling a special meeting of shareholders. The Court subsequently continued the hearing from November 5, 2015 to November 19, 2015. On that same date, the Court is also scheduled to hold a hearing on a preliminary injunction motion by Depomed for its claims against Horizon Pharma and its subsidiary.

Certain Information Regarding Participants

Horizon Pharma and/or Depomed and their respective directors, executive officers and certain other employees and the Horizon Pharma nominees may be deemed participants in the solicitations of proxies in connection with the requests to call the Special Meetings and to vote in favor of the principal proposals described in the Special Meetings Proxy Statements if the Special Meetings are called and held. You can find information about Horizon Pharma’s directors, executive officers and such certain other employees and any individuals Horizon Pharma is seeking to nominate for election to the Depomed board of directors, as described in the Special Meetings Solicitation Statement and the Special Meetings Proxy Statements, in Horizon Pharma’s Annual Report on Form 10-K for the year ended December 31, 2014, which was filed with the SEC on February 27, 2015, Horizon Pharma’s definitive proxy statement filed with the SEC on May 6, 2015, Horizon Pharma’s Current Report on Form 8-K/A filed with the SEC on July 27, 2015, the Special Meetings Solicitation Statement and the Special Meetings Proxy Statements and in such other solicitation statements, proxy statements or other documents that would be filed with the SEC in connection with the Special Meetings. You can find information about Depomed’s directors, executive officers and its employees who are participants in such solicitation in Depomed’s definitive proxy statement filed with the SEC on April 16, 2015, Depomed’s definitive revocation statement filed with the SEC on September 30, 2015 and as may be supplemented from time to time, the Special Meetings Solicitation Statement, the Special Meetings Proxy Statements and in such other solicitation statements, proxy statements or other documents that would be filed with the SEC in connection with the Special Meetings. These documents are available free of charge at the SEC’s web site at www.sec.gov and, with respect to Horizon Pharma, from Investor Relations at Horizon Pharma as described above. Additional information regarding the interests of such potential participants is included in the Special Meetings Solicitation Statement and the Special Meetings Proxy Statements and will be included in one or more registration statements, proxy statements or other documents filed with the SEC if and when they become available.
