Horizon Pharma has filed a preliminary proxy statement with the Securities and Exchange Commission (the “SEC”) and accompanying WHITE proxy card in connection with the removal and bylaw amendments special meeting of shareholders of Depomed, Inc. (“Depomed”).

On November 6, 2015, Horizon Pharma held a conference call to review its third quarter 2015 financial and operating results. During the call, Bob Carey, Executive Vice President and Chief Business Officer of Horizon Pharma, provided the following information in response to a question regarding the status of Horizon Pharma’s solicitation of proxies related to its proposal to call two special meetings of shareholders of Depomed:

“There was a record date on the 29th, we continue to collect proxies from that record date. There is a second record date on the 13th. Our plan is in the back half of November is to submit those proxies and set a meeting date for the special meeting, which will occur most likely in the back half of January.

And so, we are on track for doing that. The process will play out in the December-January timeframe. So a lot will happen between now and then. And we will be monitoring closely moves in the marketplace and the price of our security as well as Depomed and we’ll make the right decision at that point in time to pursue the transaction or not depending on what happens. So, we are committed to it at this point and we believe we can be successful.”

Special Note Regarding Litigation

As described in the Special Meetings Solicitation Statement, the Special Meetings Proxy Statements and the Extraordinary General Meeting Proxy Statement, Horizon Pharma is currently challenging Depomed’s bylaw-mandated process for calling a special meeting of shareholders as contrary to California law in a judicial proceeding seeking to protect Depomed shareholders’ franchise rights. With that judicial challenge pending, the Special Meetings Solicitation Statement and accompanying WHITE and BLUE proxy cards that have been distributed to Depomed shareholders and the Special Meetings Proxy Statements and accompanying WHITE and BLUE proxy cards that will be distributed to Depomed shareholders reflect Horizon Pharma’s good faith effort to nevertheless comply with what we believe is an onerous process for calling a special meeting of shareholders imposed by the Depomed board of directors. The Superior Court of the State of California, County of Santa Clara, where our judicial challenge is pending, calendared for November 5, 2015 a hearing on a preliminary injunction motion by a subsidiary of Horizon Pharma to enjoin, among other things, the enforcement of Depomed’s bylaws that mandate what we believe to be the onerous process for calling a special meeting of shareholders. The Court subsequently continued the hearing from November 5, 2015 to November 19, 2015. On that same date, the Court is also scheduled to hold a hearing on a preliminary injunction motion by Depomed for its claims against Horizon Pharma and its subsidiary.
